Ezviz Alarm Starter KIT

The alarm starter kit is the perfect first step in building your EZVIZ secure home empire! The KIT consists of a wireless small animal immune PIR motion detector, a wireless door/window motion sensor, a remote control and of course the alarm hub. Additional units can be purchases separately to meet your individual needs. All you need to get started is a power source, a Wi-Fi connection and the EZVIZ app. No drilling or wiring is required, the setup is simple and you can easily integrate your EZVIZ cameras with the alarm giving you an all-round solution. Ideal for DIY installation.

A1 - Internet Alarm Hub

- Up to 32 wireless devices
- Connects with EZVIZ cloud
- Suitable for use with EZVIZ cameras
- Requires power supply (adaptor included)

T1 - Wireless Pet Immune PIR Detector

- Secures 12m X 12m area
- Does not react to domestic animals less than 25KG
- Battery life up to 2 years

T6 - Wireless Open/Close Detector

- Reacts to movement in 3 directions
- Trigger angle of only 3°
- Built in rechargeable battery

K2 - Remote Control

- Used to change mode of A1 Alarm Hub
- Emergency call button
- Battery life of 1 year

Ezviz Alarm Accessories

T1 - Wireless Pet Immune PIR Detector

- Secures 12m X 12m area
- Does not react to domestic animals less than 25KG
- Battery life up to 2 years

T6 - Wireless Open/Close Detector

- Reacts to movement in 3 directions
- Trigger angle of only 3°
- Built in rechargeable battery

T9 - Wireless Siren

- 85dB within 3 Meters
- Red lights blink when alarm occurs
- Built in rechargeable battery

T10 - Wireless Water Leak Detector

- Highly Sensitive water leak detector
- High Performance RF communication
- Cooperating with A1 base station
- Batter life up to 2 years

K2 - Remote Control

- Used to change mode of A1 Alarm Hub
- Emergency call button
- Battery life of 1 year
